

# Dana Krinsky

## ***2021 Board Candidate Bio***

Dana Krinsky has worked for Plumas County Public Health Agency for 14 years where she currently coordinates health education programs, and also has a BS in Business Management. She has lived in Quincy for 20 years, where she has enjoyed raising her three children, and has found excitement in the journey of learning. Dana enjoys many hobbies and activities, and currently loves crafting, traversing the mountains with her husband, friends, and dogs, spending time in biblical study, and cultivating her skills in self-sufficiency, and medicinal and edible gardening. For many years she has taken advantage of the work others have put into her beloved community and co-op, and is now offering to dedicate her time and energy to maintain the valuable asset that is our co-op.
